## SERVICE PRIORITIES

NDALC sets annual service priorities based on input from individuals with disabilities. In August of every year, NDALC collects input and public comments about our current and future service priorities. If you would like to give your input, please email your request to [survey@ndalc.org](mailto:survey@ndalc.org). Service Priorities are posted on our website at [www.ndalc.org](http://www.ndalc.org)

## ELIGIBILITY

NDALC may assist individuals who meet the statutory eligibility criteria for its protection and advocacy programs, and whose complaints or problems fall under NDALC's current service priorities.

As NDALC does not have the resources to handle every meritorious complaint, NDALC sets annual, service priorities based on input from individuals with disabilities, and the overall disability communities.

### **Grievance Procedure:**

NDALC has a grievance procedure for individuals who are dissatisfied with NDALC's decision to deny, reduce, or terminate services, or with the quality or amount of services received. The grievance procedure and submission form can be obtained through any NDALC office.
